27 PARTS CATALOGUE

INTRODUCTION

The Catalina 27 Parts Catalogue is designed to provide an easy and efficient way for dealers to order parts. All parts and assemblies are listed alphabetically under six main categories found in the index:

- Hull and Deck Fittings
- Spars, Rigging, Sails
- Interior
- Engine
- Plumbing
- Electrical

Refer to the page number in the right hand column to locate the part in the main body of the catalogue.

The parts illustrated are assigned a reference number. If the part is not shown, then it is listed in close proximity to the other related parts.

Fastener Kits, indicated by the suffix "F" are listed below each part. Each kit consists of all the fasteners needed for fastening one part only.

In the right hand columns on the page, the total number of parts required for each standard boat is listed under "standard," if the part is an option the total number needed for the installation of the option is listed under "option".

- (1) Give Full Part Number of Part and/or Fastener Kit.
- (2) Give the number of Parts requested.
- (3) Specify color when necessary.

All parts orders must be in writing, on company purchase orders or stationery, include purchase order number on all correspondence.
